Masterlist sync with a date

The date stays on the estimate. Sync opens the changed rows. The notice is only the result.

1 Before you click

Task breakdown

Priced on masterlist 10 Mar 2026

BOL

Description	Rate
Site supervisor	2,800
Welder	1,800
Helper	950

The amber mark is the outdated row.

The date is already there. No click yet.

2 Sync clicked

Sync from masterlist

List date on this estimate: 10 Mar 2026

Database is now 10 Oct 2026

Description | Unit | **Price**

1 row changed

Welder 1,800 → 1,850

Special prices are not in this list.

Keep my prices | **Update changed rows**

This is the panel, not a toast.

3 After you update

Task breakdown

Priced on masterlist 10 Oct 2026

Welder	**1,850**
